Islamabad, the 29th May, 2020

Order

Subject: ESTABLISHMENT OF TAX INFORMATION PROCESSING UNIT (TIPU) IN IR-OPERATIONS WING, FBR.

FBR is embarking upon an ambitious plan for enhancing revenues, through efficient utilization power of IT for overall system improvements. There is an emerging need for transforming existing raw data, available in multiple databases of FBR, into meaningful insights, through which actionable steps may be suggested to field formation with regard to untapped revenue potential and potential leakages.

2. To realize the true potential of IT systems, developed over years, it is imperative to engage a cross-functional team of professionals, available in FBR, who may perform following tasks, before generating meaningful insights from the datasets available in its IT-systems:

- a. Data-mining
- b. Statistical Analysis
- c. Data-Analytics
- d. MIS Reporting

3. The insights gained through data-analysis may potentially generate actionable data, which IR-OPS Wing may convey to field offices, so that untapped revenue potential may be realized and potential leakages may be checked.

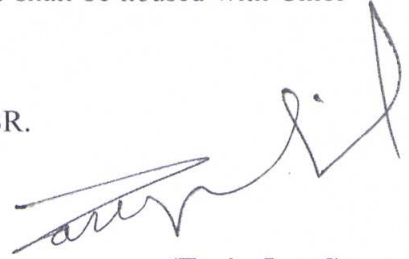

4. In view of foregoing a cross-functional 'Tax Information Processing Unit' is hereby established in IR-OPS Wing, FBR, manned by FBR's regular workforce and temporary hiring of IT-experts, on need basis. The following officers are designated as domain team of the Tax Information Processing Unit (TIPU), under the supervision of Member (IR-Operations):
